[hewlett packard, ross santee] on amazonm. \*free\* shipping on qualifying offers. this book shows you how to install and start using the capabilities of the hp 82211a hp solve equation library application card for the hp 48sx calculator. The book actually delivered was "an easy course in using the hp48sx". whilst the differences between the 48s and 48g are relatively minor, i was expecting this book to cover them or provide some coverage of both devices.
